

## November Newsletter

We just loaded up the yard with more re-claimed lumber and barn board. Grey board, brown board and faded red barn board of varying widths and lengths. Photos can be viewed on our website

We also have some new arrivals of some very nice hand hewn beams from the Midwest. All 7x7 and 10x10's!

We have some old growth pine that came out of a tobacco barn in East Hartford that had been sitting in storage for quite some time. It has a light brown patina and is all circle sawn. 2x5's with lengths up to 17 ft long and 4x4's up to 16 ft long. These will make great table and bar tops and table legs. Check out our website to see these photos!

Don't forget, we can also re-manufacture re-claim lumber into flooring, "dirty top" tongue and groove for walls and ceilings.

New Wormy Maple slabs have arrived at the yard. 2" thick by 18-22" wide by 9 ft long. Check them out on the website. These won't last long.

Due in mid to late November-a shipment of Curly, Birdseye and Curly Ambrosia Maple will be arriving.

It's getting to be that time of year again. Yes that's right seasoned firewood. Don't forget to call us for your firewood needs this winter. All of our firewood is seasoned; all hardwoods and from the forest. We offer loose cord wood in one or two cord deliveries. Your choice of 15" or 18" lengths .
